

PORT ARANSAS POLICE FOUNDATION

Hello, my name is Sue Williams and I am the President of the Port Aransas Police Foundation.

I know this has been a difficult year for everyone. With the past Covid-19 shutdown and months of Covid-19 life style, everyone trying to make a comeback. PAPF as well as other charity organizations have been unable to have their regular fundraisers. We understand that things are not as they were this time last year but with patience and working together, we will make a comeback.

The Hook EM' and Book EM' Fishing Tournament is one of two fundraisers the Police Foundation uses to secure funds that benefits the Port Aransas Police Department. That funding includes a benevolent fund, purchase of non-budgeted capital items, and scholarships for the Port Aransas Police Officers children and the Port Aransas High School students that have a career in public safety or criminal justice system. In the past years, the Foundation has been able to purchase duty weapons, holsters and laser sights for the Police Department. We also purchased equipment for the Police Departments K-9 program. This year the Foundation gave 5-\$1,000 college scholarships to graduating seniors and college students that qualified for additional funding.

I am asking that you might consider being a sponsor in this years Annual Fishing Tournament on Saturday, August 14, 2021.

We are also looking for people to fish in the tournament, if you cannot be a sponsor come and fish. Enjoy a family event and benefit our cause.

Attached you will find various levels of sponsorships available and registration forms to fish. Please consider being part of our team and efforts to promote the objectives of the Port Aransas Police Foundation.

Thank You,

Sue Williams

President
Port Aransas Police Foundation
